We are in the process of going through old annexations in order to get ready for the redistricting. We are trying to make sure all of our voting precinct maps are correct with all of the City limits being correct.

In doing this I have found this file from 1991 which annexed some property into the City of Hector. I am not sure if this information was forwarded to you as there is no letter from you acknowledging receipt of this information.

I am enclosing certified copies of everything that is my file for your records.

If you have any questions, please feel free to contact me at 479-968-6064

Thank you,
