Jennifer,

Yes the area in red is not in our city limits. Have census remove this area please. Thanks.

Tracie—you thought you were done with me didn't you?! LOL! Hope you and your people are well.

Census is pushing back on the below boundary correction. If you remember, this is a spot that the state has right but census does not. In order for them to remove this, they would like to know you approve. You can do so by responding to this email.

Do you approve removing this area?
