Re: Boundary and Annexation Survey

Dear Shelby:

My office is in receipt of the 2020 Initial Boundary Validation Program (BVP) from the U.S. Census Bureau. In looking at the maps that were sent for review, we noticed a correction that needs to be submitted to the U.S. Census Bureau.

Madison County's MCD's, townships, and election precincts are considered by Madison County to be one in the same. We use these terms interchangeably, as they refer to the same thing, though in recent years, we mostly use the election precinct verbiage. The order that was submitted to your office on May, 3, 2019 (see attached) effectively updated our MCD's/townships/election precincts, though the verbiage that was used in the order was election precinct. The purpose of this letter is to clarify and confirm that the U.S. Census Bureau's MCD/township maps should be corrected to reflect the changes listed in the May 3, 2019, order.

When we last submitted a Boundary and Annexation Survey (BAS) on paper, which has been several years ago, prior to the Arkansas GIS Office becoming the official state contact, I believe we listed the MCD's as precincts or township/precincts.

Please use this letter as verification and documentation of the changes that needs to be made to the U.S. Census Bureau's MCD maps.

If you should have any questions, or if the U.S. Census Bureau requires any further clarification on our part, please let me know.

Sincerely,

Frank Weaver  
Madison County Judge
